

HARDCORE 2

by Montana Colors The new Hardcore 2 formula still maintains its glossy finish and high pressure characteristics but now has a new formulation that offers a much faster drying time and excellent coverage in all colors. We also present the Pop range, ideal for inventing effects and enhancing the rest of the colors. Pro color range of 110 cans. **High Pressure Gloss Spray. Modified Alkyd Enamel. HC 2 400ml Cans come with #MD100Q225 Hardcore Skinny Cap.**
